Description of Opportunity

Chubb Associate Program

We are looking for those interested in a career that helps people mitigate risk and recover from the unexpected through insurance. We're seeking candidates with bachelor's degrees to join our Chubb Associate Program.

As the industry leader in Property & Casualty insurance, Chubb is an employer of choice for individuals aspiring to develop a meaningful career in a fast-paced, high performing company. We're driving digital transformation in our business so opportunities abound. These are full-time positions and offer a compelling opportunity to join a global, growing, financially stable and successful company. We have designed our Chubb Associate Program to hone your skills and talents to help you reach your career goals. By joining the Chubb Associate Program, you will be part of an experience that supports the well-rounded development of critical business skills which in turn contributes to the future success of our company. Our two year program is designed to include hands-on business assignments in one of a variety of disciplines, interactive classroom instruction, team assignments and direct interaction with other early career professionals as well as experienced professionals and engaged leaders. As part of this program you will experience:

- Challenging assignments and the opportunity to contribute to the results of a team
- Collaborative learning and group assignments with program members to help gain broader organizational understanding;
- Technical training to deepen your skill level within your chosen discipline; and an understanding of our broader industry;
- Interpersonal effectiveness skill development to help you enhance communication and interactive skills;
- Executive engagement allowing program members the opportunity to network and learn from Chubb's thought leaders;
- Peer mentoring support to help members navigate through professional situations in their early development;
- A pathway to leadership development opportunities and global assignments

Preferred Skills

Bachelor's degree in many majors will be considered
Strong GPA; 3.3 or higher preferred
Prior work experience (including summer or part-time roles) or internships preferred
Leadership experience through work or involvement in community service, athletics, clubs, or other activities preferred
Technically adept/digitally savvy
