<b>Description of Opportunity</b>	<p>General Re Corporation, a subsidiary of Berkshire Hathaway Inc., is a holding company for global reinsurance and related operations, with more than 2,000 employees worldwide. Its direct reinsurance companies conduct business as Gen Re.</p>
-----------------------------------	--

Gen Re provides Underwriter Trainees with a high level of authority, productivity and empowerment early in their career. Initially, training is provided with an intensive program called " Jump School". Our mentoring program also provides Underwriter Trainees the opportunity to manage a book of business.

As an underwriter, this position offers a continuing variety of tasks. Underwriters work with our clients (i.e. insurance companies) in assessing individual risk and related volatility, by utilizing data research and rating models. Underwriters negotiate the transfer of risk, pricing, and terms & conditions directly with the client. Underwriters are provided the opportunity to travel and meet face-to face with clients.

---

**Preferred Skills**

All work is completed within teams; working effectively in a team environment is paramount. Successful candidates will possess a positive attitude, ability to lead, technical aptitude, diverse interpersonal skills and are self-motivated.

Responsibilities continue to grow and evolve throughout one's career at Gen Re. our employees enjoy a strong work/ life balance, flexibility, quality work environment, comprehensive benefits and a competitive compensation structure. We are continually committed to strengthening our employee's professional skills, expand industry knowledge and personal growth.
