**Description of Career Opportunity**

Has responsibility for risk selection/rejection, pricing, retention, growth, and profitability per divisional objectives.

Uses independent judgment and initiative to support business goals.

Maintains a high level of customer service.

Analyzes coverage and limit requests and decides what terms to offer.

Prices business in accordance with company guidelines.

Assesses risk quality and compliance within company guidelines and initiates appropriate loss prevention actions.

Orders and screens miscellaneous reports needed in the rating and underwriting processes, such as Motor Vehicle reports, loss history reports, credit checks, outside inspections, loss control, etc.

Develops and maintains effective business relationships with internal and external customers/coworkers in order to attract and retain profitable business.

Visits agents, brokers, and producers in order to retain existing accounts, build and maintain business relationships, and develop new opportunities in support of divisional objectives.

Interprets, explains, and markets products and services.

Administers, applies, and may update underwriting rules and guidelines, rating manual rules, and insurance laws and regulations.

Provides technical advice to lower level associates and other functional areas.

May have responsibility for performance and coaching of staff and may have a participatory role in decisions regarding talent selection, development, and performance management for direct reports.

Performs other duties as assigned.

---

**Preferred Skills**

5-8+ years of commercial P&C underwriting experience is required.

Excellent written and verbal communications skills.

Position requires occasional travel, including some overnight trips.
