## **Description of Opportunity**

We have designed our Chubb Associate Program to hone your skills and talents and help you reach your career goals. By joining the Chubb Associate Program, you will be part of an experience that supports the well-rounded development of critical business skills which in turn contributes to the future success of our company. Our blended program is designed to include hands-on business assignments in a variety of disciplines, interactive classroom instruction, team assignments and direct interaction with other early career professionals as well as with many of our senior executives. As part of this program you will receive:

- Challenging assignments and the opportunity to contribute to the result of a team;

- Business training unique to a career at Chubb;

- Technical training to deepen your skill level within your chosen discipline; and an understanding of our broader industry;

- Interpersonal effectiveness training to help you gain strong communication and interactive skills;

- Access to additional training to compliment your professional development.

Preferred Skills	Successful professionals at Chubb come from many backgrounds and experiences and bring that rich diversity with them to our company. They also have some things in common and these attributes will lead to your success at Chubb:
	- Results orientation: a demonstrated ability to meet commitments under pressure
	- Practical intellectual agility: capable and confident in absorbing new information
	<ul> <li>Personal capacity: accepting and welcoming of additional responsibility over time</li> </ul>
