jagord3@ilstu.edu

Elmhurst, IL 60126

Education:

Illinois State University (Normal, IL)
Bachelor of Science in Actuarial Science
Computer Science Minor

Graduation: May 2024
Current GPA: 4.00/4.00

Actuarial Exams Passed:

FM/2 (Apr 2021), P/1 (July 2021)

Skills:

Excel (Intermediate), Java (Foundational), Minitab (Foundational)

Experience:

CAS Student Central Summer Program (CASSCSP) Jun 2021 – Aug 2021

- Analyzed and solved a simulation of a real-life actuarial problem using Excel in collaboration with a small team.
- Was introduced to concepts including reserving methods, the ratemaking process, and data visualization through various exercises and workbooks.

Honors/Activities:

Math Tutoring Club September 2021 – Present

- Assisting students in an introductory math class with their homework.
- Helping these students understand the underlying concepts of the work.

Digital Volunteer (Smithsonian Museum) March 2020 – Present

- Transcribing archived historical documents, such as the Project PHaEDRA astronomical notebooks, to a digital format.
- Reviewing and correcting the transcriptions of other volunteers.

Youth Summer Program Front Desk (Helen Plum Library) Jun 2018 – Aug 2019

- Gave information about the program to parents and helped them sign their children up for it.
- Recorded young patrons' progress through their summer reading programs.
- Distributed prizes to patrons who reached certain milestones.

Pinnacle Scholar Sept 2021

- Awarded for achievement in mathematics and drive in pursuing an actuarial science career.

CASSCSP Case Competition Winning Team Aug 2021

ISU Presidential Scholarship Mar 2020

- Awarded for active community participation and high academic achievement in high school.
