Education

Illinois State University

Bachelor of Science in Statistics

Minors: Economics, Business Administration, Risk Management and Insurance

Normal, IL

May 2022

- Cumulative GPA: 3.76
- **Relevant coursework:** Introduction to Actuarial Computing, Python Programming For Data Analyst, Financial Mathematics, Statistics and Data Analysis, Labor Economics, Regression and Time Series Analysis

Work Experience

American Family Insurance

Remote

Product Analyst Intern

May 2021 – August 2021

- Compiled and researched agricultural facts, internal performance and profile data as well as competitive intelligence for use in the rate revision process.
- Collaborated with pricing actuaries in order to develop a visual representation of a complex agricultural rating algorithm with hundreds of rating variables.
- Created dynamic visual charts illustrating the primary causes of loss for any given combination of states, providing insight and commentary to underwriting, pricing and product teams.

Bloomington-Normal NAACP

Normal, IL

Project Team Member

December 2020 – April 2021

- Researched racial disparities in the times of Covid-19 in the Bloomington-Normal community and constructed visuals exhibiting statistics or connecting various ideas.
- Collaborated with other students in a team effort to provide factual research for the NAACP to support their goals and offer solutions to issues in the community.
- Presented findings to a Bloomington-Normal NAACP general meeting of 30 people through a visual PowerPoint and a written report.

Leadership and Activities

Redbird Esports

Normal, IL

Head Coach and Analyst

March 2020 – Present

- Leverage the strengths and weaknesses of dozens of roster combinations and strengthen individual and team play by prioritizing team chemistry rather than individual talent.
- Structure multiple scrimmages and training sessions on a weekly basis. This included using VODs to review tendencies and deviations in play with the team and individuals to help enforce the strategy being implemented.
- Compose in-game strategies while analyzing trends to maximize the team's performance, which contributed to an eventual top 8 NCAA Division 1 finish.

Math Tutoring Club - Volunteer

Normal, IL

Vice President of Resources

January 2020 – Present

- Assist students in doing math-related course work and break down subjects to be easily understood.
- Track attendance of tutors and students to predict the number of people seeking assistance, improving the tutor to student ratio.

Gamma Iota Sigma Alpha Kappa Chapter

Normal, IL

Chapter Member

January 2019 – Present

- Attend informative events about the insurance/risk management industry and workshops to develop business writing and leadership skills.
- Pursuing Certificate in Leadership Business Acumen (CLBA)
