Fall 2016

Gamma Iota Sigma  
Alpha Kappa Chapter

Fall 2016

Gamma Iota Sigma's Alpha Kappa Chapter had an excellent semester filled with many opportunities for industry involvement and volunteering. The chapter totaled around 120 active student members and over 50 events. We greatly appreciate all of the alumni who came back and shared your career experiences with the current Gamma Iota Sigma students.

## 2016-2017 Officers

*Nick Mullinax (President)*  
*Bri Allen (VP- Student Affairs)*  
*Judy Cheng (VP- Internal Affairs)*  
*Matt Dubiel (Secretary)*  
*Sean Fitzgerald (Treasurer)*  
*Marie Bedoun (Director of Alumni)*  
*Emily Tomaszewski (Director of Publicity)*  
*Lauryn Appelbaum (Director of Volunteer)*  
*Ethan Witting (Director of Recruiting)*  
*Vlada Gudzenko (Director of Professional Development)*  
*Michael Cappel (Director of Outreach)*  
*Aaron Puntriano (Actuarial Liaison)*  
*Rebekah Verbeke (Historian)*  
*Debbie Babcock (Advisor)*

## Risk Manager in Residence

David Williams, Director of Risk Management at San Manuel Band of Mission Indians, came to speak at Illinois State on October 17th-18th. Mr. Williams also brought his insurance broker, Jason Perry, who is a Senior Vice President at Aon Risk Solutions.

David and Jason held a panel discussion while on campus, which allowed students to gain insight into several roles within the insurance industry. Also, David and Jason attended several classes throughout their stay in which they discussed different ways to mitigate both common and obscure risks.

## Gamma Nationals

Throughout the weekend of September 29th, eight GIS members attended the 45<sup>th</sup> Annual Gamma Iota Sigma International Conference in Columbus, OH. While at the conference, members were given the opportunity to attend a variety of informational sessions. Two members gave an excellent presentation with the Alpha Iota chapter titled "Creating an Alumni Alliance." The members also had the ability to network and interact with a variety of chapters. The national conference included a career fair that was available to all attendees. The Illinois State Alpha Kappa Chapter received recognition for outstanding performances in the 2015-2016 year in the following categories: alumni relations, chapter management, community service, membership development, and public relations. Along with this, the Alpha Kappa Chapter was given the Excellent Chapter Award at Gamma Nationals.

## Volunteering with Alpha Kappa

Members of the Alpha Kappa chapter did a variety of volunteer activities throughout the fall semester. As one of the main focuses of Gamma Iota Sigma, the Alpha Kappa Chapter focused on giving back to the community. On average, the Chapter did one volunteer event per week. These activities included volunteering at the Midwest Food Bank, working on a house for Habitat for Humanity, and cleaning the quad. Along with local projects, the Alpha Kappa Chapter also participated in the volunteer activity at Gamma Nationals. To wrap up the semester, students created cards for military veterans for the holiday season.

Judy Cheng and Josie Herrington building a Habitat home

## Golf Outings

The fall semester began with the annual Association of Lloyd's Brokers Golf Outing in Itasca, IL. While there, students were able to network with industry professionals and gain knowledge about proper golf etiquette. Following this event, the Katie School hosted the annual Alumni / Student Golf Outing on September 23rd at Weibring Golf Course. Many alumni were able to attend the event and talk with students about the transition from being a student to an industry professional. Overall, students and alumni both had an excellent time relaxing and getting to know one another on the golf course. If you would like to join additional golf outings feel free to reach out to Nick Mullinax, the current chapter president.

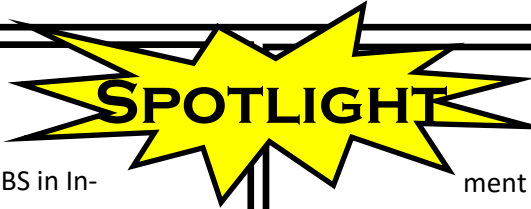

Bill Lally, Eric Mutch, Nate Horrie, Joe White, Brett Glaser, Ethan Witting and Sean Fitzgerald

Gamma members cleaning the Quad

Nick Mullinax, Maggie Flynn, Peyton Ferrara and Lauryn Appelbaum making blankets for children at the PLUS Conference

## Michelle Godbey

Michelle graduated from Illinois State University in the spring of 2015 with a BS in Insurance. During her time at Illinois State, Michelle served as the Director of Community Service and the Vice President of Student Affairs for Gamma Iota Sigma. Within her role of Vice President of Student Affairs, she planned GIS's annual Gamma Games event. Upon graduation, Michelle began her career at Zurich North America as a Property Claims Specialist. She also completed the CPCU designation and plans to continue her insurance education in the future. In Michelle's spare time, she enjoys spending time with loved ones, traveling, and participating in volunteer events.

When asked what her favorite part of GIS was, Michelle stated, "My favorite part of Gamma Iota Sigma was the variety of events that were put on from community service to company information sessions and socials. I learned that the insurance industry is very small and that you will most likely run into some of those people in the future." Michelle is an outstanding example of a student who utilized what she learned during her time at ISU to further her success in the working world.

## Briana Allen

Briana is a Senior Risk Management and Insurance Major graduating in May of 2017. As the current Vice President of Student Affairs, she has been actively involved with Gamma Iota Sigma throughout the fall semester. Briana has attended conferences such as the Gamma Iota Sigma International Conference and the Chicagoland Risk Forum. Along with her participation in Gamma Iota Sigma conferences, Briana has attended many local events including monthly chapter meetings, volunteer efforts, and social outings. She is also in the midst of planning the annual alumni-student event, Gamma Games, which will be held on April 7, 2017.

This past summer, Briana had the opportunity to be a NAPSLO intern. She spent the first half of her summer as a Lloyd's of London international intern, and then spent the remainder of her time in Dallas, Texas working for both AmWINS Group and Markel Corporation. Upon graduation, Briana will join Willis Towers Watson as part of the Graduate Development Program. Briana is thankful for all of the opportunities that the Katie School of Insurance and Gamma Iota Sigma offer her.

## National Risk Retention Association Conference

Five Katie School students were invited to the National Risk Retention Association Conference in Chicago in October and they had the opportunity to gain greater knowledge on captives and other risk retention vehicles. They networked with industry professionals from around the country and interacted with students from Roosevelt University.
