Fall 2017

Gamma Iota Sigma
Alpha Kappa Chapter

Fall 2017

Gamma Iota Sigma's Alpha Kappa Chapter had an excellent fall semester filled with many opportunities for industry involvement and volunteering. The chapter totaled around 100 active student members and 50 events. Including over 15 volunteer projects. Below members make cards for veterans.

2017-2018 Officers

Nick Mullinax (President)
Lauryn Appelbaum (VP- Student Affairs)
Maggie Flynn (VP- Internal Affairs)
Dean Johnson (Secretary)
Aaron Puntriano (Treasurer)
Caitlyn LoCascio (Director of Alumni)
Libby Schrishuhn (Director of Publicity)
Morgan Loy (Director of Volunteer)
Sean Fitzgerald (Director of Recruiting)
Sara Ploch (Director of Professional Development)
Peyton Ferrara (Director of Outreach)
Kelsie Klingenberg (Actuarial Liaison)
Royal Charles (Historian)
Debbie Babcock (Advisor)

Risk Manager in Residence

Julie Pemberton, Director of Risk Management and compliance at Columbus Regional Airport Authority, came to speak at Illinois State on November 6th-7th. Before Julie started her work at Columbus Regional Airport Authority, she led the Enterprise Risk, Insurance and Safety department at Outerwall Inc. Julie held discussions while on campus, which allowed students to gain insight into the variety of positions she has held over the years. Also, Julie attended several classes throughout her stay in which she shared how her path led her to become a risk manager.

Gamma Nationals

Throughout the weekend of September 28th, eight GIS officers attended the 46th Annual Gamma Iota Sigma International Conference in Dallas, TX. While at the conference, members were given the opportunity to attend a variety of informational sessions. The members had the ability to network and interact with a variety of chapters while attending this conference. The career fair and educational sessions had over 60 organizations in attendance for this event. Student interaction and participation was highly encouraged at Gamma Nationals. They even had student led educational sessions to get Risk Management and Insurance majors.

Alpha Kappa Volunteers!

Members of the Alpha Kappa chapter participated in a wide range of volunteer activities throughout the fall 2017 semester. One of Gamma Iota Sigma's main focuses is on giving back to the community. The Alpha Kappa Chapter focuses on giving back to the community. On average, the Chapter did one volunteer event per week. A few of the activities included volunteering at Home Sweet Home Ministries, working on a house for Habitat for Humanity, and cleaning the quad. Along with local projects, the Alpha Kappa Chapter also participated in the volunteer activity at Gamma Nationals.

Cleaning the Quad

Habitat For Humanity

Golf Outings

The fall semester began with the annual Association of Lloyd's Brokers Golf Outing in Itasca, IL. While in golfing, students were able to network with industry professionals and gain knowledge about proper golf etiquette. Following this event, the Katie School hosted the annual Alumni / Student Golf Outing on September 22nd at Weibring Golf Course. Alumni attended the event and talked to students about the transition from being a student to an industry professional. Overall, students and alumni both had a wonderful time getting to know one another on the golf course. If you would like to join additional golf outings feel free to reach out to Nick Mullinax, the current chapter president.

Katie Daley

Katie graduated from Illinois State University in 2015 with a BS in Insurance and Finance. While attending ISU, Katie was on the Gamma Iota Sigma Executive Board and held the position of Director of Fundraising. After graduation, Katie accepted a job with Aon as an Associate Property Broker, working in the Minneapolis office from July 2015 to January 2017. She then decided to transfer to the Chicago office in January 2017 and has been working there ever since. Katie was first introduced to the Aon team at RIMS 2015 in New Orleans while attending with the Katie School of Insurance.

One of Katie's greatest achievements consist of obtaining an ARM designation which assists her in aligning the risks and coverage requirements to fit new clients needs. Katie enjoys the great moments when her internal colleagues request that she work on their accounts. This shows they have full confidence in her abilities through the work she has done with them in the past.

Additionally she completed the Aon Launch Program, and she was assigned her own book of business with Aon. Although being a Sox fan, Katie does reside in Wrigleyville while continuing her career with Aon.

Sean Fitzgerald

Sean is a senior Risk Management/Insurance and Finance double major graduating in May of 2018. He currently serves as Director of Recruiting for Gamma Iota Sigma. Throughout the fall semester, Sean has been involved in many professional development events this year including: Gamma Nationals, Habitat for Humanity, and the Risk Manager in Residence program. He is also very active outside the Katie School as being an active member of Delta Sigma Pi and working at Illinois State Universities Campus Recreations as a Facilities Manager.

Sean has had multiple internships throughout his time at Illinois State University ranging from an Underwriting Professional Development Program Intern at Travelers, and as a NAPSLO Intern in the Maxum Specialty Insurance Group and CRC Swett. Sean was one of the Katie School students who interned internationally in Zurich, Switzerland this past summer. Sean is very grateful for the opportunities and memories with Gamma Iota Sigma and said, "Freshman year while I was talking to an officer, he informed me about the ins and outs of the major. After that I was sold on the career paths and it shaped my college career and future in the best way possible."

Gamma Birthday Week

The Alpha Kappa chapter celebrated the 26th birthday of Gamma Iota Sigma with pizza, cake, games, and music. This was a great way for the students to relax and enjoy themselves. The games were very enjoyable and allowed for members to catch up with other members of the chapter.
