Fall 2018

Gamma Iota Sigma
Alpha Kappa Chapter

Fall 2018

Illinois State University's Alpha Kappa Chapter of Gamma Iota Sigma has managed to have an array of events for another year. There are over 130 members and the chapter had over 60 events for the Fall semester, 15 of which being volunteer events. Students took advantage of the opportunities presented and are looking forward to next semester.

2018-2019 Officers

Adrian Villa (President)
Alexa Zito (VP- Student Affairs)
Sal D'Acquisto (VP- Internal Affairs)
Erika Sreenan (Secretary)
Max Johnson (Treasurer)
Megan Smalter (Director of Alumni Affairs)
Kate Pankhurst (Director of Publicity)
Mark Murdoch (Director of Volunteer Efforts)
Travis Kniep (Director of Recruiting)
Hannah Crawley (Director of Professional Development)
Luke Reiser (Director of Outreach)
Eric Reed (Actuarial Liaison)
Sean Powers (Historian)
Kelsie Klingenberg (Student Consultant)
Debbie Babcock (Advisor)

Table of Contents:

Overview	1
Assorted	2
Volunteering	3-4
Spotlight	5
International Interns	6
2018 Officer Update	7
2018 Fall Calendar	8-10
Gamma Activities	11-36
Alumni Photos	37-46

Risk Manager in Residence

Gail Kiyomura

Gail is the Deputy Director of Human Resources for the city of Stockton. She gave students great advice and more background on what it is like to be a Risk Manager. Gail spoke about different situations that she had been involved with including one of the worst gas explosions in history. Students enjoyed having her on campus and the opportunity to hear about many other experiences as well.

Katie School Hall of Fame Dinner

On Thursday, October 18th at the Four Seasons Hotel in Chicago, the 4th Katie School Hall of Fame Dinner was held. Honorees contributed to the success of the Katie School and development of talent in the insurance industry. The Hall of Fame event publicly honors individuals and organizations that are doing, or have done, exemplary work in the insurance industry. Students valued having the opportunity to attend and network with industry professionals throughout the evening.

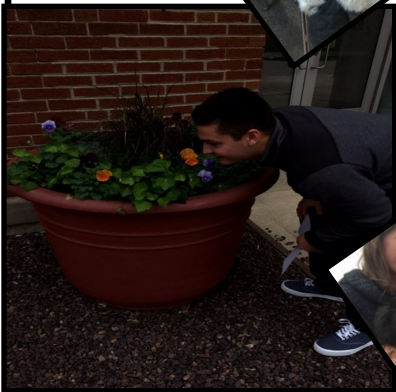

Gamma and Actuarial Club Scavenger Hunt and Picnic

Gamma Iota Sigma co-hosted a member picnic and scavenger hunt with Illinois State's Actuarial Club. Katelynn Pankhurst said, "I felt as if this was a perfect opportunity for new members to get involved and collaborate with our chapter's Executive Board. Not only that, but it provided an opportunity to network with students we don't usually have the chance to interact with as much."

Lunch & Learns

Students have been given the chance to learn about a variety of topics and companies throughout many different Lunch and Learns. Some of these companies and organizations include American Family, CNA Insurance, M3 and the Mid-Illinois RIMS Chapter.

WSIA Troy Symposium

Students Caroline Wilieko and Trey Kolenda attended the 2018 WSIA Troy Symposium in Atlanta, GA. They were able to network during the career fair and also connect with other students. They attended different sessions and valued getting to hear from an E&S Broker and Underwriter. Caroline and Trey benefitted from learning about a variety of E&S topics, and they took advantage of the opportunities there.

Matt Dubiel

SPOTLIGHT

Kelsie Klingenberg

Matt joined GIS after deciding to pick up Insurance/Risk Management as his second major during his junior year. His brother introduced him to Debbie Babcock who encouraged Matt to get involved. He remembers the first event that he attended was dinner with the Risk Manager of Aramark, Debbie Rodgers. From then on he says he knew he was on the right path. He stayed involved until graduation and served as secretary of the Alpha Kappa Chapter his senior year. GIS gave him experiences that led him to know he wanted to be an underwriter.

His first insurance experience was being selected as one of the international interns in Zurich, Switzerland. He was extremely grateful that the Katie School gave him the opportunity to go. He then was an intern at Liberty Mutual in the commercial underwriting division.

“My favorite GIS memories were for sure all of the great trips that we went on—RIMS in Philadelphia, the National Conference in Columbus and of course all of our trips up to Chicago.”

After graduation Matt accepted a job with Starr in Chicago as an Underwriting Associate in their Risk Management Casualty division. He spent a year in its Global Associates training program and then became an Underwriter in the same division.

“My favorite part about being a Katie School Alumnus is the bond you share with other alumni and current students.” Matt enjoys meeting someone who has that instant connection, and being able to connect with students.

Kelsie is a senior Actuarial Science major graduating in December of 2018. For the 2017-2018 school year, Kelsie served as the Actuarial Liaison for Gamma Iota Sigma. Her current role on the Executive Board is as the Student Consultant. Kelsie has actively attended events since her freshman year, and she is also a part of several other organizations on campus. These include being President of the Actuarial Club, being on the Executive Board of Alternative Breaks, working for Admissions, and attending Toastmasters meetings. Kelsie is very grateful for everything that ISU, the Katie School, and alumni have done for her and hopes to be a supportive member of the alumni community. Kelsie is going to miss all of her extracurricular involvement and friends that she has experienced at ISU.

Since sophomore year of high school, Kelsie knew that she wanted to be an actuary since she has always been passionate about mathematics and values the combination with the business world. The summer going into her Junior year, she interned with Reinsurance Group of America as an Actuarial Intern on its pricing team. The following summer, she was an Actuarial Intern at Northwestern Mutual on the Risk Experience Analytics Team. After graduation, Kelsie will be working for Reinsurance Group of America in an actuarial role focused on Mortality Studies, in Chesterfield, MO.

In her free time Kelsie enjoys typography and likes to bake, cook, and deer hunt. A personal goal of hers is to open her own Etsy shop to sell her DIY projects similar to ones she has created for friends throughout the years.
